ABOUT ME

I am a communication graduated from IISIP Jakarta (2008) with major interest in blogging, programming and technology.

In 2009 chosen as participant bloggers workshop held by Voice of Human Rights (VHR) News Centre and started working as content writer.

Then I moved to settle in Bandung and join at Nusa Cipta Teknologi (Encity) as Web Programmer in 2010. In 2011 I got promoted from Encity to assist System Administrator for our client **equalBright School**.

In 2014 I started to run my own web hosting and development service under brand name Ripstore.Asia as Front End Developer for almost 2 years.

In 2016 I moved to Bekasi and looking for a new opportunity.

By the beginning of 2018, I am willing and ready to join in your company as **Web Developer**
